Supporting statement -

Scottish Fencing is about to start of an exciting six-year development strategy. The strategy was put together by a subset of the current board and our professional staff. Our current staff team bring a professional sport development approach. They have knowledge of other sports, and skills gained in multiple governing bodies. They are well connected and tuned into the opportunities, as a GB, to develop the sport of fencing in Scotland. This makes it an exciting time to be on the Board and I am keen to be part of the team who supports the implementation of the strategy.

In the last four years I have provided my HR expertise, when required, getting involved in recruitment, equalities work, HR practices and organisational development. I contribute to wider Board issues, where my fencing or business knowledge is relevant, supporting the work of the Board as a whole. I believe the Board should communicate what we do and ensure everyone sees the benefit of being an SF member.

I have been on the current Board for four years. If elected this would be my second term before I stand down. My fencing experience includes:

- Representing Scotland and GB at veteran events
- President of SF 1994 – 1997
- Scottish Team Captain at Senior and Veteran Quads
- Currently fence in the West of Scotland, mostly at GWEFC, with regular trips to EFC
