### **Supporting statement - (400 words maximum)**

I am a lawyer and was previously managing partner of a venture capital/technology law firm with offices in London, Edinburgh and Cambridge.

My children are heavily involved and extremely passionate about fencing and it would appear that some of that passion has worn off on me! I am keen to help raise the profile of the sport throughout Scotland and to support the development of all fencers in Scotland whether competing internationally, for clubs, or those who fence simply for enjoyment.

Having filled a vacancy on the board since September last year, I would like to build on the knowledge gained during that time and continue working with the rest of the board on the various projects, plans and fundraising.
